## **New Release: *Dance of Heavenly Bliss***

**Huntsville, AR—February 23, 2016—**Ozark Mountain Publishing is pleased to announce the release of *Dance of Heavenly Bliss: Divine Inspiration for Humanity* by **Garnet Schulhauser**.

*Dance of Heavenly Bliss*, which is Schulhauser's third non-fiction book in the spiritual genre, continues the saga of the author's spiritual awakening that began when he was confronted on the street by a homeless man named Albert who turned out to be a wise spirit in disguise. The author's first two books, *Dancing on a Stamp* and *Dancing Forever with Spirit*, describe his first encounter with Albert and the provocative dialogue that ensued, as well as a series of astral trips he took with Albert to the Spirit Side and to other parts of our galaxy.

In his third book, the author recounts more astral adventures with Albert who took him to meet a number of distinguished souls on the Spirit Side, including Moses, Jesus and his mother Mary, Lucifer, and the goddess Athena. In the Akashic Records, he got to view an ancient human civilization that lived among the dinosaurs, the building of Stonehenge with the help of visitors from the stars, and the crash of the alien spacecraft near Roswell in 1947.

These astral trips included visits to other planets with human civilizations that are much different from our own, including one with a matriarchal society ruled by women, as well as a frightening encounter with a Black Hole that opened a doorway for the author to enter a fascinating sub-atomic world.

*Dance of Heavenly Bliss* (ISBN 9781940265322 ) can be purchased from [Ozark Mountain Publishing](http://Ozark Mountain Publishing), from all the popular online stores (with BUY links on the author's website: [www.garnetschulhauser.com](http://www.garnetschulhauser.com)), and from many Barnes & Noble and Chapters Indigo stores.
