“Garnet Schulhauser offers a brilliant account of our spiritual nature from the perspective of Albert, his delightful spirit guide. This book allows us to travel vicariously with Garnet when Albert takes him on journeys to the Hall of Records, other planets and past civilizations. During these travels Albert makes us privy to valuable knowledge about the life of Jesus, the Source, and the role of the Council of Wise Ones and aliens in creating a new Earth. This book is a must read for anyone seeking to understand their life purpose and to evolve.”

“Garnet Schulhauser has done it once again with the writings of *Dancing Forever with Spirit*. I am truly grateful that Garnet asked the questions of his soul and allowed the most unpredictable situation to guide him to the answers. *Dancing on a Stamp* was the first recording of Garnet and Albert’s journey; four pages into the book, I was hooked, and left wanting more. *Dancing Forever with Spirit* is that more, more answers, more understanding, more guidance and it leaves you ready for more. I opened this book and literally could not put it down until I turned the last page. Thank you Garnet, for being the voice and allowing Albert to show you and all of us, why we are here and what this life is all about.”
